

Rimini Key Features

- ❖ 'Easy up' side post (cantilever) parasol, ideal for all applications, particularly for covering large furnished areas
- ❖ The canopy opens and closes with a 'one move system' assisted by a pneumatic spring
- ❖ The mast is made from an aluminium extrusion and the frame from aluminium sections
- ❖ Stainless steel fixings throughout
- ❖ Large sizes: 3.5m square and 3m x 4m rectangular
- ❖ Rotating feature through 360°
- ❖ The oval mast extrusion measures 100mm x 70mm powder coated in an attractive carbon grey. Optional: WHITE / IROKO WOOD EFFECT / TITATINIUM FINISHES
- ❖ The mast may be positioned adjacent to a wall
- ❖ The canopy retracts to the side, thus leaving the previously shaded area completely clear
- ❖ Ground anchor made of stainless steel
- ❖ European solution-dyed acrylics are used for the membranes, with a choice of 10 colours. Additional colours are available which may incur a surcharge
